

The Holly Jolly Shoppe is Beverly Knight Olson Children's Hospital Navicent Health's program for patients and their families who must spend the holidays at the hospital. The in-hospital toy store is built and operated by hospital staff, corporate partners, and community volunteers who invite parents of hospitalized patients to "shop" - free of charge - for gifts for their patient child and siblings. This is all made possible through generous donations from our community. For more information or to schedule a time to drop off your donation, please contact Heather Trescott, CCLS at 478-633-7219 or email [childlife@NavicentHealth.org](mailto:childlife@NavicentHealth.org).
